# Foreword

---

Welcome to our 2019 Elite Dressage Foal Auction!

It is an absolute delight to present to you our best and most diverse selection of foals yet, handpicked from this year's British Breeding Futurity evaluations and from the Elite Foals Tour.

The auction is a wonderful opportunity to pull together a great cocktail of the very best of high profile international stallions, and we are proud to be featuring offspring from proven sires and performance horses such as the great Bellissimo, Escolar, Don Nobless and - of course - Negro, as well as the global sensations Jovian and Secret.

This is also a great opportunity to introduce offspring of new up-and-coming sires and to celebrate the excellent achievements of British breeders and stallion producers. We are therefore particularly delighted to include foals by young stallions standing in this country, including, to name but one, the British bred Myspires Fider Hit, whose two auction foals both won the prestigious British Breeding Futurity Elite accolade, awarded only to foals who score over 9.0 in their assessment. This includes a detailed veterinarian evaluation of soundness and correctness of limbs, and an evaluation of their conformation, as well as walk, trot and canter from a panel of independent international experts.

As always, we are proud of the wonderful damlines chosen by our breeders to provide you with the performance and breeding credentials to succeed at the very top of the sport. It was particularly nice to see an increasing number of mares with strong British Dressage connections, including Heart of Gold who comes from the direct motherline of our Olympic star Super Nova II and Zonoeska, from whose line comes the wonderful River Rise Escarla whose winning debut at the BD Nationals as a Young Horse will still be remembered in years to come.

It is also a pleasure to include for the first time a few pony foals, all with proven performance backgrounds, for the many younger visitors at the BD Nationals and in recognition of the importance of providing truly talented ponies for our next generation of riders and future superstars.

Last but not least we are very excited to be finishing our auction on a high by offering another embryo from the legendary Weidyfleur II line, this time by the sensational Vivino who made global headlines last year when he sold to Helgstrand for a jaw dropping 2.1 million Euros.

We are looking forward to seeing you all at the auction. It will be a great pleasure to welcome you in the stables throughout Saturday to introduce you to our lovely foals and their breeders.

With best wishes

Your

AES and Brightwells Auctions Team

## Conditions of Sale

---

The Sale will be run under the Conditions of Sale set out below and the Brightwells General Conditions of Sale; it is your responsibility to have read the Conditions of Sale prior to purchasing.

Sellers please note the following Supplementary Conditions (to be drawn to your attention by order of HM Customs and Excise).

### **HM CUSTOMS AND EXCISE RULES**

Would all sellers note that we (Brightwells) will raise a Self Billing Tax Invoice for the proceeds of any goods in this or any other Sale held by us? It is a Customs and Excise requirement that this is the only Tax Invoice raised for those items.

We must have your VAT Registration Number (where appropriate) together with your name and address for inclusion on any Self Billing Tax Invoice raised by ourselves.

You must notify us immediately if your VAT Registration Number is cancelled or if you are issued with a new VAT Registration Number.

Any seller not agreeing to this system of Self Billing Tax Invoices being raised by us must notify us prior to the commencement of the Sale. Regrettably, we can only operate with a Self Billing System in place and therefore will not sell the goods of any seller who is unable to accept this system.

A more detailed explanation can be obtained in writing from the RICS Regulations Department, Surveyor Court, Westwood way, Coventry CV4 9JE

(2) The remarks given to the Lot(s) suitability and ride ability are provided by the Owner or the Owner's Riders and are given as an opinion only through the training of the horse and DO NOT CONSTITUTE A WARRANTY OF ANY KIND.

(3) Upon receipt of a catalogue, the seller undertakes immediately to check the accuracy of the relevant catalogue description of the Lot and to notify the Auctioneer immediately in writing of any correction, amendment or addition that needs to be made to the catalogue description.

(4) The Auctioneer may amend or add to any catalogue description during the course of a Sale and may declare a Sale to be subject to veterinary examination or not during the course of a Sale, in which event any announcement by the Auctioneer takes precedence over any entry in the catalogue.

(a) Refuse to accept any bid or bidder.

(b) Regulate the bidding as the Auctioneer sees fit.

(4) The Buyer shall immediately on the fall of the hammer inform the Auctioneer of the Buyer's name and address and provide any proof of identity that the Auctioneer may require.
